MISS NAOMI M. CRAUSE

*(With Kirkwood Aurelia Betty and Kirkwood Alverstone)
Vice-President of The Bulldog Club of St. Louis.*

The Bulldog Club of St. Louis.

President: Mrs. C. A. ROWE.

Secretary: Mr. E. F. JACKSON, 645 N Clay Avenue, Kirkwood,
Missouri, U.S.A.

The Bulldog Club of St. Louis was formed in January, 1931, and was incorporated in 1932, and is affiliated to the Bulldog Club of America.

The Club's Annual Show is held in connection with the All Breed Show which takes place in March or April at St. Louis.

The first President was Mr. A. T. Howard, followed by Mr. Byron Nugent, and next in turn Mrs. C. A. Rowe, the present incumbent.

The Club meets every other month, and members take it in turns to entertain the Club on these occasions.

The club arranges parties of members to attend shows at a distance by motor cars, and provides trailers for the dogs built especially for the purpose with separate compartments for each dog. This encourages showing and creates mutual interest and makes a trip very enjoyable and worthwhile. As many as 10 or 12 join in these show parties.

The Bulldog Club of St. Louis (Incorporated) extends to every other Bulldog Club, regardless of where it may be located, an invitation to correspond with them through the Secretary on any subject of mutual interest concerning Bulldogs or the Club. You may be assured that such correspondence will be very welcome and that you will receive an early reply.

They are a happy family this St. Louis Club, way down in Missouri, and they are working well together for the good of old "Sourmug"—may their efforts to popularize the Bulldog in this part of the world be crowned with success.
